"To swoop down on some prosperous town,
To sack and burn the houses down,
To see each one with flaming cross,
Is rare old sport to me!"

SAN CARLOS CO. HEARS OF FIRST MILLING ACTIVITY

P. J. Bell, manager of San Carlos
Milling Co., Ltd., in the Philippines,
this morning cabled the following re-
port to the company's directors in Ho-
nolulu:

"Have manufactured to February
11th 1100 tons of sugar from 5700 tons
of cane."

"We do not know how many hours
of grinding the reported output rep-
resents," said A. D. Cooper, secretary
of the company, this morning. "The
latest advices that we have received
by mail are to the effect that it was
expected that grinding would com-
mence some time between January 15
and February 7, depending upon the
maturity of the cane."

"In any case it signifies that the
task of starting a new factory with a
few crew has been accomplished
without any undue delay, which in it-
self is gratifying."

"Aside from a few bugs made dur-
ing a short trial run late in December,
this represents the company's first
sugar."
